Dear Parents/Carers,

At John Clare, we value the partnership we have with our families; positive relationships translate into positive outcomes for children. As the children have now settled into the new school year, we look forward to meeting with you over the coming weeks to discuss your child's progress and provide updates on what will be happening in your child's class. For information on what your child will be learning this term, their teacher has produced a [topic web](#). Should you have any queries, or any resources that may support the learning taking place, please do speak with your child's class teacher. Please also take note of the 'Stay and Share' session dates in this newsletter - the children really look forward to these and always enjoy sharing their learning with you!

We are also looking to recruit some volunteer Reading Buddies in school! This is a wonderful and very beneficial role, which includes listening to children read and sharing books with them. If you are able to volunteer in school, please do let us know - we are usually able to work around your age-group preferences and availability! A volunteer pack can be obtained from the school office.

Have a wonderful weekend.

Best wishes,  
*Mrs Nicolson*

## Online Safety Information - Advice for Parents and Carers

### Using the Internet Safely

When used properly, the internet can be a very positive tool for children and young people. The website [Childnet](#) contains lots of very practical and useful advice for how you can support your child at home. There is also a 4-11 year olds section, which offers helpful advice to children on a variety of topics.

## Nut and Seed Free School

Our school endeavours as far as possible to be a nut-free school, this includes sesame seeds. Therefore we would like to request that any food brought into school for lunches or snacks does not include any nuts or sesame seeds, this includes hummus.

## Parking

Parents are only permitted to use the school car park between 7.30am and 8.00am and after 4.00 pm.

Outside of these times, the car park is **only** to be used by staff and Disabled Badge holders. If you are dropping off or collecting children outside of the above times, please park safely and courteously on the road and do not obstruct the entrance to school. These restrictions are in place to ensure the safety of the children coming in and out of the school, and to ensure staff can park within the school grounds and not impact on the surrounding residents by parking all day outside local homes. *Thank you for your cooperation.*
