## WEEKLY NEWSLETTER

27th January 2012

Dear Parents and Carers,

There has been a lot of dancing happening in school this term. Broadwheel are preparing for the dance festival at Arthur Mellows next week and Torpel have been having lessons from a specialist dance coach. I have been very impressed by what I've seen so far. I am hoping to convince both classes to demonstrate their dance to the whole school sometime soon.

Mr Paris has been busy counting all of the sponsorship money raised through the Pro Kick Soccer Challenge. We raised an astonishing £625 and had great fun at the same time. We are waiting to find out when the medals and certificates will be ready and as soon as they are we'll present the medals in a family assembly.

The school council have started a three week survey to find out what children like and dislike about their school dinner. We have already found out that they would like more vegetables and apple crumble.

I have managed to find a music teacher who would be interested in teaching the drums. The sessions would be run after school so as not to impact on children's learning. At the moment we would like to find out if anyone would be interested before committing ourselves to a regular session. Please see attached information.

Best wishes

*Mrs Simmons*
