Dear Parents/Carers

One of our themes for this half-term is Working Together and yesterday's family assembly was a fantastic celebration of this, with the children sharing how they help each other and the Friends of John Clare School running a coffee morning to raise funds and awareness for Macmillan.

The support and commitment of parents and the Friends of John Clare School are very important factors in the success of the school. In the four weeks that we have been in school we have had parents in to help with the Ground Force Day, with Friends providing refreshments; and a coffee morning and parents in for an Impact in Writing workshop.

If you would like to know more about how you can support the Friends, please come to the AGM on Thursday 6th October at 7:00pm in the school hall.

Best wishes
Mrs Simmons

Secondary Education options for Year 5

It was agreed at the last Full Governing Body meeting in September that the 11+ familiarisation sessions which have been run in previous years to support children in the Bourne Grammar School entrance exam will cease. Mrs Nicolson however, will be able to discuss options and avenues for support outside of the school at the parents evening in October.

ParentMail

We would politely remind new parents to activate their ParentMail account please. This is important as ParentMail is used to book an appointment with your child's class teacher at our Parents' Evenings taking place in October. We will notify parents shortly, when appointments are available to select.

ParentPay

Thank you to all families who have activated their ParentPay account in order to make payments to school. If anyone is experiencing difficulties in accessing or using their account, the school office will be pleased to assist in any way they can.
