Dear Parents/Carers,

Yesterday, Mrs Metcalfe came in to talk about micro-organisms and how they are spread. Mrs Metcalfe used to be a microbiologist, and analysed samples taken from people to work out what was wrong with them and what medicine they needed to have to get better. There was a big parasite that she showed us called a tapeworm, which can grow up to 22 metres long inside you! The only way to get it out, is to have medicine make it come out of you - yuk! She was very inspiring and knowledgeable with her facts and detail, so it made the talk that extra bit better. She left us with some agar plates to put our hands in to see what bacteria we have on our hands and how much we have on us! We will all definitely be washing our hands thoroughly from now on! We would like to thank Mrs Metcalfe for coming in to talk to us. We have since made our own micro-organisms out of plasticine! - Henrietta and Katie

I would like to thank the friends of John Clare, Mrs Sallis and Mrs Shonfeld for organising a fantastic Big Breakfast this morning. An amazing 95 breakfasts were served!

Best wishes

Mrs Simmons

John Clare Kitchen

Week commencing: Monday 30th January

Menu Week 2

School Meals - Juniors £2.30 per day

Please pay for school meals online through your ParentPay account
