Dear Parents/Carers

I would like to share some of the amazing Learning Logs I've seen this week. Buttercross have been finding out more about the Indian Rainforest. Broadwheel have continued their Power of Reading topic at home by thinking about how the Iron Man is powered.

Mrs Nicolson has set a whole school Science Learning Log to be completed over half term. The children are to investigate how gummy bears react to different solutions. I can't wait to see how the children get on.

Best wishes
Mrs Simmons

School Noticeboard

Family Assembly 16th February

Broadwheel Class Assembly, followed by Stay and Share.

Pupil Punctuality

Over the recent weeks, it has been noted that a number of pupils are arriving late to school. Our 'official' start time is 8:55am, however, teachers open the classroom doors at 8:45am to allow children into the classes early and ensure a prompt start to the day. During this extra time, additional learning opportunities are provided for your child. To ensure that classes are not disrupted by pupils arriving late for school, Mr McDonagh will be closing the playground gates at 8:55am. Children arriving after this time will now need to sign in at the School Office.

Please may we also take this opportunity to remind you that if your child attends the Energise sessions, these run from 8:45-8:55am to ensure that staff are back in class to support the learning of all children.

We thank you in advance for your support with this matter.

John Clare Kitchen

Week commencing: Monday 13th February
