Dear Parents/Carers

Broadwheel's EPIC class trip!!

Broadwheel went on an awesome class trip to The Green Britain Centre in Swaffham. The first thing we did when we got there was to complete a Wind Turbine kit. We experimented with a model of a wind turbine and put blades on it, so that we could test with a fan to see how much energy it would generate. Afterwards we went on a nature walk around the organic gardens, it was very interesting!

In the afternoon we did our favourite part of the day, climbing inside a wind turbine!! It was hard work and took a lot of determination, but when we got to the top the view was beautiful.

The day was a lot of fun and educational!
