### Inspire - Nurture - Celebrate

Dear Parents/Carers,

On June 6th, the Department for Education - Regional Schools Commissioner Headteacher Board, met to consider our Academy Conversion application, along with the other proposed schools namely, Wittering Primary School and Werrington Primary School. I am now able to confirm that the Department For Education have issued an Academy Order to enable John Clare Primary School to formally proceed with the conversion process. I am also able to share that the Department for Education considers the Soke Education Trust to be an appropriate organisation to sponsor an academy, which means Gunthorpe Primary School will become a sponsored academy supported by the three founding primary schools, now known as the Soke Education Trust. This week saw the first meeting of the Board of Directors, chaired by Claire Spooner, further information will be available throughout the Autumn term as decisions are made.

All three schools and Governing Bodies involved in this process are positive that the forming of the Soke Education Trust will provide opportunities for improvement through a collaborative approach.

Thank you for all your support this year. I hope you all have a lovely summer and I look forward to seeing you in September.

Best wishes

*Mrs Simmons*
