Dear Parents/Carers

There has been lots on the news today about the difficulties schools are facing with regards to funding. This is certainly something that we are very aware of and we have had to look at how we can make savings whilst ensuring we still provide high quality teaching and learning.

One of the possible savings discussed was the future of the swimming pool. The pool needs significant maintenance this year and we are aware that the surrounding area needs refurbishing. I am delighted to announce that we have secured a £10,000 National Lottery Grant to carry out this work. This will go a long way to covering the cost of the work needed.

The swimming pool is an important aspect of school life and the wider community. I am pleased that we will be able to continue to offer this provision for our children and those that visit.

Best wishes

*Mrs Simmons*

### School Noticeboard
