Dear Parents/Carers

We have had a very busy start back to school this week and have been making the most of the sunny weather: all classes have had even more outdoor opportunities to extend their learning. As we are hoping that the better weather continues, please may we remind you that children should bring a hat and water-bottle to school and have appropriate sun protection applied.

This week, we have also had a number of visitors to John Clare including: David Simpson (an independent School Advisor) and Suzie Julien (a Mathematics Advisor from the Peterborough Teaching and Learning Alliance). Our visitors were very positive about the provision within school and the behaviour and attitudes to learning of our fantastic children.

Best wishes

Mrs Nicolson

School Noticeboard
