Inspire ~ Nurture ~ Celebrate

6th November 2026

Dear Families,

This week has been full of additional learning opportunities for our children.

On Wednesday, our Year 5 children were immersed in a STEM-packed morning at AstraZeneca. The children travelled to Cambridge Science Park and were able to use scientific equipment in the Inspiration Laboratory and take a tour of the huge building - I am sure we have inspired many scientists of the future!

Today, Buttercross and Woodgate class enjoyed keeping warm by our fire and making chocolate sprinklers to consolidate their learning about Bonfire Night.

Next Friday, we will be supporting the important work of 'Children In Need' - children are invited to wear something 'spotty' to school! Further details will be sent via Arbor. On Monday 16th November, we also invite children to wear 'odd socks' to mark the start of Anti-bullying and Respect Week in School.

Have a wonderful weekend.

Best wishes,

Mrs Nicolson
