Dear Parents/Carers,

We have had a very positive end to this half-term with a bumper round of Positive Posts! The children have been working incredibly hard across school and it is wonderful to see them all so proud of their achievements. Our teachers have also enjoyed meeting with you all this week to discuss your child's progress during Parent/Teacher Consultations and we look forward to another great half-term after the break.

Yesterday, we were thrilled to win the Soke Hockey Tournament at AMVC. We took two teams along to the tournament and our A team brought home the winning trophy! All of our children played really well in a tough competition; they showed great sporting qualities and tried their hardest - well done!

Wishing you all a lovely half-term.

Online Safety Information - Advice for Parents and Carers

It's not easy being a parent in the digital age!

It can be daunting to feel you have no life experience to fall back on, because your child explores online spaces you could have never imagined at their age. But the good news is you already have a lot of what you need to be a parent in the digital world. You can afford to be confident. Confident in your parenting skills and confident in your instincts. Because when it comes to your child and technology, it's still just that - parenting. It's not always easy - but [Parent Zone](#) has tools and resources that can help.

Nut and Seed Free School

Our school endeavours as far as possible to be a nut-free school, this includes sesame seeds. Therefore we would like to request that any food brought into school for lunches or snacks does not include any nuts or sesame seeds, this includes hummus.

Parking

Parents are only permitted to use the school car park between 7.30am and 8.00am and after 4.00 pm.

Outside of these times, the car park is **only** to be used by staff and Disabled Badge holders. If you are dropping off or collecting children outside of the above times, please park safely and courteously on the road and do not obstruct the entrance to school. These restrictions are in place to ensure the safety of the children coming in and out of the school, and to ensure staff can park within the school grounds and not impact on the surrounding residents by parking all day outside local homes. *Thank you for your cooperation.*
