Application of Skills

Total Sports lead CPD sessions for teachers. Together, we deliver a variety of sports in line with the National Curriculum.

Sports change every half term with the sessions delivered in six week blocks.

The sessions are designed to teach children the skills, knowledge and understanding of sports offered and to apply them in match and competitive situations.

The sessions are progressive, evolving with the children's individual abilities, catering for all levels. In the last week of each half term, the children will have the opportunity to participate in inter-class competitions.

Children are encouraged to interact with coaches, offering their own ideas and asking questions to ensure they are getting the most from each session.

Children are taught how to deliver warm-ups and cool-downs. Once they are comfortable and confident, they are given the opportunity to lead these for the rest of their class.

Total Sports recognises the importance of physical and mental wellbeing as part of the Covid-19 recovery plan and is committed to providing meaningful and enriching sports sessions which support this.

"Your children show such excellent sportsmanship and encouragement."

- Wittering Primary School Headteacher

Knowledge and Understanding

# PE Journey of a John Clare child

#### EYFS and KS1

Skills and knowledge are developed through fun and engaging sessions building essential foundations.

We deliver the following sports over the year:

- Multisports
- Multiskills
- Gymnastics
- Dance
- Football
- Athletics
- Hockey
- Tennis

### KS2

Foundations built in KS1 mean that by KS2, the children are ready to participate in specific sports, developing skills and knowledge and being able to apply them in small sided games and competitive situations.

We deliver a wide variety of sport across the year:

- Fitness/Cross Country
- Tag Rugby
- Hockey
- Netball
- Football
- Basketball
- Athletics
- Cricket/Rounders
- Tennis
- Gymnastics
  - Dance

Sportsmanship and Fair Play

Legacy

# **Events**

Total Sports run exciting and engaging sports days which are tailored to the individual needs of the school.

In the first part of the day, we run a carousel of events for all children, of which some are scored and points are collated for a final total.

In the afternoon, we run a traditional sports day with competitive races including sprint, hurdle, long distance, shuttle run, sack and egg and spoon. We finish with a relay.

All children feel rewarded and enriched by our sports days. We celebrate winners as well as excellent sportsmanship, fair play and outstanding effort.

We are pleased to be part of the SOKE schools sports partnership and we take part in a broad range of sporting events against other schools.

We are also involved in events run by School Games in Peterborough, allowing our children to access a broad and balanced sporting curriculum.

Our ethos is centred around achievement and opportunity for all. We take several teams to each event to allow more children to take part. Additionally, we are frequently successful, qualifying for County and Regional Finals.

"I am constantly impressed and surprised by the amount of children you include in our competitions, as well as how successful, skillful and knowledgeable they are."

Sportsmanship and Fair Play

# Lunchtime

### **Positive Play**

We help facilitate games for our KS1 and KS2 children. These games encourage teamwork, sportsmanship and most importantly at lunchtime, lots of fun. The Year 6 children act as role models to the other children within the school whilst giving them valuable leadership skills.

#### Structured Games

Total Sports lead structured games every lunch time. These sports include football, hockey, netball, dodgeball and more. All games are accessible to all.

### Free Play

At lunchtime we partition the play space, with a variety of equipment in each zone: hoops, space hoppers, skipping ropes, and much more. The activities are zoned but the children are encouraged to play freely and together. We also have areas where children can play their own games.

### **Healthy Eating**

In P.E. lessons and at lunchtime the children are always encouraged to eat healthily and understand the benefits of having a balanced diet

Fulfilling Potential

# After School Clubs

Total Sports offer a wide range of sports and activities in our After School Clubs. Following requests from parents, we have extended our provision until 5.30pm three nights per week, with clubs continuing to run until 4.30pm for the other two evenings.

# The John Clare Legacy

At John Clare School we recognise and draw on the Olympic Values, keeping the legacy of the 2012 Olympics alive.

- -Determination
  - -Equality
  - Excellence
    - -Respect
  - -Inspiration
    - -Courage
  - -Friendship

Every half term, a class is awarded an Olympic Values trophy for showing these attributes.

Ultimately, every child leaves John Clare School with skills and knowledge in every sport, preparing them for Secondary School and beyond. Every child reaches their personal best developing a sporting mentality which stays with them for life.

"John Clare Primary has changed my child's outlook on sport - he absolutely loves it. It has changed his life"

- Year 5 Parent
