Inspire - Nurture - Celebrate

Dear Parents/Carers

Governors are an important aspect of school life. They act as critical friends, challenging, supporting and quality assuring the provision in school. Governors work on behalf of the children and families.

We welcome visits from governors and so far this academic year we have had visits to monitor behaviour and safety, safeguarding, looked after children provision, SEND and challenge for pupils. Governors have also looked at the work children have completed using Power of Reading. These visits verify the work undertaken in school and provide opportunities for actions to improve our provision.

If this role interests you, please read the section on Parent Governor Recruitment.

Best wishes
