School Noticeboard

Dear Parents/Carers

Happy New Year! Everyone has returned excited to be back and eager to learn. We have been impressed by the children's attitude to learning this week. Our themes for this term are Building Learning Power and Growth Mindset as we want our children to be resilient, work well with all people, use resources well, take responsibility for their learning and belongings and reflect on their learning. Reflection and resilience are particularly important skills to develop especially when things don't go quite to plan.

The Soke Education Trust formally came into existence on 1st January 2018. The schools are busy planning some joint projects so that children and staff from across the trust can meet.
