Dear Parents/Carers,

We are always looking for exciting and unique ways to foster a love of learning in school. Today, we had a visit from fantastic Professor Poopenshtinken, of the Magical Maths team. He amazed the children with his ability to square really large numbers without using a calculator!

The Professor will be visiting us again after the Easter break to run a mathematics after school club. Should your child be interested in joining and becoming a maths genius, please refer to the information leaflet in their book bag.

Best wishes

Mrs Nicolson
