

7th September 2020

Dear Parents and Carers,

We hope that you were able to have an enjoyable summer break. The children have certainly returned to school full of enthusiasm for the year ahead.

We hope that the following information is of assistance to you:

Staffing in Broadwheel

This year I will be teaching Broadwheel from Monday to Thursday. On Fridays Mrs Dorcheh will teach the class using work planned alongside me. She will continue to support Broadwheel children at other times. P.E will continue to be led by Mr Weston of Total Sports and these sessions will take place on a **Wednesday** and **Friday**. Please could we ask that children come to school in their P.E kit.

Topics

This term we will be studying the Tudors, in particular what life was like for children. In science we will be learning about 'Animals including Humans'. Mrs Dorcheh will be introducing the children to the German language.

Home learning

We will continue to use Google Classroom to set a variety of activities.

Reading

The children will be expected to read regularly at home and to take responsibility for changing their reading books. It is especially important that they read out loud to an adult, ideally everyday. Children will be listened to in class as part of guided reading sessions and sometimes to an adult individually.

Water bottles and snacks

Please ensure that your child has a named water bottle that is brought into school each day. Children may bring a piece of fruit for break time if they wish.

Thank you for your continued support. Should you have any queries, please do not hesitate to get in touch via the office.

Kind regards,

Mrs Myatt and Mrs Dorcheh
