Lead by Example

Children look to their parents as role models, so behave as you want your child to behave. Talk to them about your own experience of the online world. Show them sites and apps that you like, and explain why you like them. Show them how to use the internet in a positive way – to research things, to do homework, to talk to family, and to find out about the world. This helps them to have a critical eye. You can also talk about your own less positive experiences online. Encourage them to be mindful of their own behaviour towards others. Being kind and respecting others is as important online as it is in your everyday interactions.

Young Minds

Nut and Seed Free School

Our school endeavours as far as possible to be a nut-free school, this includes sesame seeds. Therefore we would like to request that any food brought into school for lunches or snacks does not include any nuts or sesame seeds, this includes hummus.

Parking

Parents are only permitted to use the car park between 7.30am and 8.00am and after 4.00 pm. Outside of these times, the car park is **only** to be used by staff and Disabled Badge holders. If you are dropping off or collecting children outside of the above times, please park safely and courteously on the road and do not obstruct the entrance to school. These restrictions are in place to ensure the safety of the children coming in and out of the school, and to ensure staff can park within the school grounds and not impact on the surrounding residents by parking all day outside local homes. *Thank you for your cooperation.*
