Dear Parents/Carers,

We have had a busy start to our final term, particularly for our Year 5 children. Yesterday, was the first of their swimming sessions at Bourne Leisure Centre: the swimming instructors commented on their exemplary behaviour and are looking forward to teaching them over the coming weeks.

Following swimming, six Year 5 children then went to Wittering Primary School to take part in a Soke Education Trust Mathematics Challenge. Their mathematics skills were tested through a variety of activities including: memory games, Pascal's Triangle, WWII escape room and finding ratio/proportion relationships within the human body! The children thoroughly enjoyed the day, especially collaborating with other children from within our Trust schools.

As the final half-term unfolds, we look forward to lots of exciting learning, which we will share with you.

Best wishes,

Mrs Nicolson

### Online Safety Information - Tip of the Week for Parents/Carers

#### Use Parental Controls

Parental controls are designed to help you manage your child's online activities. Parental controls can set online time restrictions for your child and create content filters to manage the content they see. Parental controls can be used across your broadband, Wi-Fi, apps, games consoles and personal devices including mobile phones and tablets. There are various types, some of which are free but others which can be bought.

However, nothing is totally fool proof so they shouldn't replace the need for you to support and advise your child on online safety.

More information on parental controls can be access at the [ThinkUKnow](https://www.thinkuknow.co.uk) website

### Nut and Seed Free School

Our school endeavours as far as possible to be a nut-free school, this includes sesame seeds. Therefore we would like to request that any food brought into school for lunches or snacks does not include any nuts or sesame seeds, this includes hummus.

### Parking

Parents are **only** permitted to use the car park between 7.30am and 8.00am and after 4.00 pm. Outside of these times, the car park is **only** to be used by staff and Disabled Badge holders. If you are dropping off or collecting children outside of the above times, please park safely and courteously on the road and do not obstruct the entrance to school. These restrictions are in place to ensure the safety of the children coming in and out of the school, and to ensure staff can park within the school grounds and not impact on the surrounding residents by parking all day outside local homes. *Thank you for your cooperation.*

### Positive Posts

*This week, the endeavours of the following children have been recognised with a Positive Post:*

Grace - for writing a very creative story.

Harry H - for being super proud of his best writing yet!

Bill - for making excellent progress in his writing.

Joseph - for great improvement in handwriting and use of vocabulary.

Henry F - for enjoying bubble crafts and being super kind to his friends.

### Stay and Share session this term!

We look forward to welcoming parents/carers to our Stay and Share sessions this term. Following drop-off, please do come into school for a short assembly, after which you will be able to share your child's learning with them in the classroom!
